Hi Chris,

Can you please add the agenda below and these attachments to the tribal and state assumption meeting on Friday?

Thank you!

Steph

Attached is the agenda and materials for our meeting with John on 10/25 regarding state and tribal assumption of 404g.

We do need input on tribal response - how to respond and formal consultation.  
IP EPA review vs Authorization under a GP.  
Retained waters discussion with USACE and Army and prep for Ross-Fisher meeting.  
Enforcement discussions - upcoming and process for briefing Sr. Mgt.
